**CONDUCT COVENANT [FOR ALL STUDENTS/YOUNG ADULTS/YOUTH WORKERS/STAFF]**

1. I will not leave the **Manchester College** campus during **FUEL** without adult supervision and permission from the **FUEL** office.
2. I know that guys cannot be in girls-only areas, and girls cannot be in guys-only areas. I'll even stay in my **own** room at night.
3. I will not possess, use, or sell alcohol, tobacco, illegal drugs, or spider monkeys--and I won't steal the **FUEL** director's walker or prune-based foodstuffs.
4. I will not mess with anyone's body, mind, or belongings. And I will not mess with Auto-Tune, either (I'm looking at *you* guys, T-Pain and Shy Ronnie).
5. I will show up at all meals, classes, and sessions, do my best to be there on time, and I won't get upset with those who try to make sure I do.
6. I will not possess, use, or sell fireworks, weapons, explosives, or atomic Ewoks at **FUEL** (I'll leave *Nonlinear Phenomena in Complex Systems* home, too).
7. I will report any injury to the nearest adult immediately. Face-to-face, because there's *not* an app for that. Yet.
8. I realize they are called undergarments for a reason, so I'll keep them and their contents covered. Yes, that means both guys *and* girls.
9. I will treat **FUEL** and **Manchester College** staff with respect, cooperate with them, and obey all rules and expectations.
10. I will try to have fun, but I will not drop it like it's hot, lukewarm, or room temperature. Not even for a Klondike Bar.

The Ranger Addendum: I recognize that if I do anything that bothers/irritates/angers the forest ranger, she WILL spray me in the face with a water bottle. I also recognize that this is done mostly for her entertainment, and that's ok with me.

**FOR PARTICIPANT & PARENT/GUARDIAN**

It is important that the covenant is understood, because that helps everyone have a better week. If I determine that the covenant guidelines are not important and am found breaking them, I will be dealt with by members of the **FUEL** staff. If the problem is serious enough, the **FUEL** staff has the option of sending me home **at my parent/guardian's expense** . . . even if that means buying a plane ticket.
